**senior community
service employment
program (SCSEP)**

Mature workers have the work ethic, enthusiasm, loyalty and life experience to be valuable assets to any workplace environment. However, the one thing they often lack is opportunity. This is where Easterseals-Goodwill—and you—can make a real difference.

By referring the people you serve to the Easterseals-Goodwill Senior Community Service Employment Program (SCSEP), you are playing a key role in giving the business community access to an often-overlooked pool of talent. More importantly, you are helping mature workers feel more engaged, secure and fulfilled.

What is SCSEP?

Easterseals-Goodwill SCSEP is a program that offers paid individualized training and job placement services for those age 55 and older.

Participants gain the experience and skills they need to stay active, supplement their income and contribute to their communities, while the workforce gains a pool of highly motivated, reliable workers with useful skills and valuable life experience.

SCSEP is funded by the Department of Labor, Employment and Training Administration. SCSEP is an equal opportunity employer program. This document is available in alternative formats, including large print and electronic, upon request.

Who Is Eligible For SCSEP?

To qualify for SCSEP, participants must:

- Be 55 years of age or older
- Experience barriers to employment
- Have limited or low income
- Be unemployed

Do You Know Someone Who May Be Interested in SCSEP?

Your referrals are crucial to the success of this program. If you know qualified individuals who may be interested in becoming a SCSEP participant, please contact us. Visit www.esgw.org/scsep or call 208-454-8555.
